It's tough to follow up freshmen names like Pletcher, Lee, and Teasdale but Northampton Area's Julian Chlebove will give it his best effort. Wrestling fans should be familiar with the name Chlebove as Julian's father is Ian "Whitey" Chlebove a District XI Hall of Famer. Whitey was a 4x District XI Champion, 4x North East Regional Champion, 3x PIAA Medalist including a State Championship his senior season. Whitey went on to compete for West Virginia University where he was a 3x EWL Champion and 2x NCAA All-American for the Mountaineers. Julian is poised to match his father's high school career and has already reached impressive levels. At the Pennsylvania Junior Wrestling State Championships Chlebove won his first PJW State Championship in 2015 at 117 lbs. in the Junior High Division. Julian picked up three falls in the process including in the State Finals over #17 Dan Mancini.

Despite only making two appearances at the PJW State Tournament Chlebove has the most National accomplishments of the TIF of 2016 list. In 2015 alone Chlebove captured National titles at the Reno Worlds, Tulsa Nationals, Pop & Flo Mini Men Nationals, and Flo Nationals Championships. The Koncrete Kid is most definitely peaking at the right time. While still in eighth grade Julian competed in the Flo Nationals High School Division where he placed third calling the finish his most honored achievement to date. There his only defeat was to the eventual Champion and Fargo National Champion Paul Konrath (Indiana) and he finished higher than any other Pennsylvania wrestler including 2015 PIAA State Runner-up Aaron Burkett (Chestnut Ridge). In addition Julian owns Championships from the War at the Shore, Nittany Lion Open, and the USA Wrestling Preseason Nationals. Not only has Chlebove succeeded in Folkstyle but also the Freestyle circuit. He is a 2x PAWF State Freestyle Champion and 2x Northeast Regional Freestyle Champion. Most recently Chlebove won the Super 32 Challenge qualifying tournament held at Muhlenberg College at 120 lbs. in the high school division.

As you may expect Julian's goals for his rookie season are lofty aspiring to go undefeated and win a PIAA State Championship in Class AAA at 113 lbs. With an All-American father, Julian stated that having a father like Whitey "brings nothing but good things to my life and wrestling career." As a guiding figure Julian stated his father helps him in a variety of ways including technique, weight management, and mental preparation. The pair drill and workout together regularly which has and will continue to benefit Julian.

Ryan Vulakh is a strong middleweight who is North Penn's most anticipated freshman since Zac Fryling who went on to win two PIAA State Championships for the Knights. Last season Ryan attended Germantown Academy as an eighth grader but returned to North Penn for his freshmen year. In his career Vulakh has finished as a PJW State Runner-up twice and was a 2x District 1/SEPA Champion. At the 2014 PJW State Tournament Vulakh competed in a loaded 124 lbs. bracket that featured Carnell Andrews, Andrew Wert, and Caden Mareno. Those wrestlers went on to succeed their freshmen seasons as Andrews was a 2015 PIAA State Qualifier; Wert was a PIAA State Medalist; and Mareno was a National Prep Tournament Qualifier. Vulakh ended up finishing as the PJW State Runner-up for the second year in a row falling in the finals to Carnell Andrews. In the semifinals Vulakh did have an impressive (1-0) victory over Andrew Wert. Vulakh also finished as the MAWA Eastern National Runner-up in 2013. Most recently Ryan took part in the Super 32 Qualifier at Muhlenberg College where he competed at 138 lbs. and had quite the showing. Ryan defeated four New Jersey wrestlers en route to the Championship title included a (7-0) win in the finals against Chris Scorese (Cranford, NJ) who was a New Jersey State Qualifier last season. What's more is Vulakh finished higher than 2014 PIAA State Runner-up and 2x PIAA State Medalist John Pipa (Bishop McDevitt) who placed third. Regardless he is still from Pennsylvania thus he is featured on the TIF of 2016 list. Aragona gained National attention at the 2015 Super 32 when the freshman advanced into the High School finals at 106 lbs. At the Nation's foremost pre-season Tournament Jo-Jo downed several Nationally ranked wrestlers en route to the finals. Aragona finished ahead of five fellow 2016 TIF and multiple PIAA State Medalists and Qualifiers. In his Youth career Aragona has qualified for the PJW State Tournament five times and has earned three State Medals including back-to-back third place finishes in both 2014 and 2015. Wrestling fans should remember the name Mike Madara as he was featured in the Top Incoming Freshmen of 2015 coming in at #45. Madara, however, would not enter high school at Nazareth Area as indicated in the TIF of 2015. Instead Mike enrolled at Blair Academy in New Jersey where he will be a freshman this season. In 2014 Madara won his first career PJW State Championship capturing the 82 lbs. Championship in the Junior High Division. In the 2014 PJW State finals Madara defeated 2015 PIAA State Medalist Jaret Lane (Southern Columbia Area). Mike also owns Championships at the MAWA Eastern Nationals, Brute Empire Nationals, and the Dixie Nationals. Madara was unable to defend his 2014 PJW State Championship in 2015 falling in the Junior High finals at 97 lbs. to future star Sam Hillegas (North Hills) in a tight (3-1) bout. Competing for National power Blair Academy comes with a grueling schedule and intense practice room. Madara will be in contention for the starting spot at 106 lbs. Madara will likely compete with fellow Blair rookie Michael Colaiocco for the spot at 106 lbs. It is safe to say if Madara lands the spot for Blair Academy he will be tested against the Nation's top wrestlers on a weekly basis.

2015 Pennsylvania Junior Wrestling State Champion Julian Gorrington is the third District 10 wrestler in the Top 10 and for good reason. In 2014 Gorrington reached new heights in Freestyle and Greco-Roman becoming a double PAWF State Champion and earning a spot on the Pennsylvania Freestyle National team where he went (6-1) against the top wrestlers in the Nation. He followed up that performance with an ASICS Kids Nationals Third Place finish in both styles. Julian also competed in the Phil Portuese North East Regional where he captured the Championship in Greco-Roman and Runner-up in Freestyle. In 2013 Gorrington earned his first PJW State Medal when he finished as the runner-up to Freedom Area's Michael Muron (8-6). His first PJW State Championship came in 2015 in the Junior High Division defeating #37 Dominic DeLuca (Derry Area) in the finals (4-0). Two years ago Nick Coy watched his older brother Cameron Coy excel as a freshmen for Penn Trafford winning a South West Regional and PIAA State Championship at 132 lbs. Cameron was #2 on the Top Incoming Freshmen of 2014. Nick is not far behind coming in at #10. Although not winning a PJW State Championship Nick has earned four straight Pennsylvania Junior Wrestling State Medals including two third place finishes and a runner-up finish in 2015. Nick is also a 6x PJW Area III Champion. In the WPIAL Coy was a 2x South West Regional Junior High Champion. Nick may not have the blazing youth resume like older brother Cameron but he is still expected to make an immediate impact in the WPIAL lightweights. Coy projects to compete at 113 lbs. with sophomore and 2015 PIAA State Qualifier Job Chishko returning to 106 lbs. The two will greatly benefit from each other in the practice room.

As mentioned previously Chestnut Ridge freshman Jared McGill is a stud. He would need an entire room to house all the accolades he has amassed since 2008. In his PJW career Jared is a 6x PJW State Medalist, 5x PJW State Finalist, and 2x PJW State Champion. The PJW State Tournament was not the only event Jared had success at. He is a 5x MAWA Eastern National Finalist and 1x MAWA Eastern National Champion. Additionally Jared has won Championships at both the Nittany Lion Open and War at the Shore. In 2014 McGill finished on the podium at both the NHSCA Middle School Nationals and Super 32 Middle School Challenge. Jared is going to bolster an already impressive line-up that last season finished as the PIAA State Dual Team Runner-ups. McGill will look to follow in 2015 TIF Justin McCoy's footsteps who as a rookie last season placed sixth at the PIAA State Tournament. In addition to McCoy Jared will have PIAA State Runner-up Aaron Burkett to roll around with.

Alec is a 4x PJW State Qualifier, a 3x PJW State Medalist, and a 1x PJW State Champion. At the 2014 PJW State Tournament Bittler was runner-up to 2015 TIF Zach Ortman (Parkland) but finished ahead of several notable names. A year later Bittler captured his first PJW State Championship defeating #20 Cameron Connor (Kiski Area) in the 112 lbs. finals (4-0). Most recently Bittler won the 2015 Flo Nationals Middle School Championship at 119 lbs. defeating #14 Justin Perkins (Penn Hills) in the semifinals (7-5 SV). Perkins already owns a total of six Pennsylvania Junior Wrestling State Medals including a State Championship in 2013. In his six trips to the PJW State Tournament Justin never finished lower than fourth. Perkins was also a MAWA Eastern Nationals Champion, a 2x Cliff Keen National Kick-Off Classic Champion, and a Southwest Regional Junior High Champion. Colton Camacho hopes to be Franklin Regional's next big thing when he joins the 2x PIAA State Dual Team Champions this season. Camacho is a polished wrestler who has only improved in his youth career. A 6x PJW State Tournament Qualifier Colton is a 4x PJW State Medalist including a 3x State Runner-up. Despite not reaching the top of the podium Camacho is expected to make an impact on the WPIAL as a lightweight. 46. Evan Widing

High School: Pennridge
Class: AAA
District: 1
Region: South East
Projected Weight: 106 lbs. – 113 lbs.
Projected 16' Finish: SE Regional Qualifier

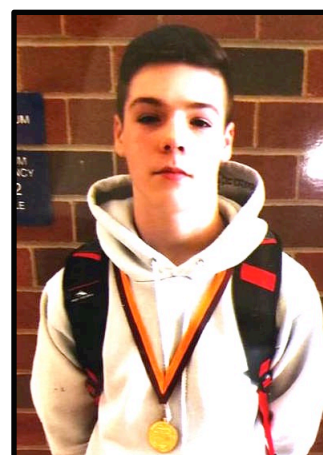

Career Highlights

- 2015: PJW State Tournament (Junior High) – 112 lbs. – Third Place
- 2015: PJW Area XI Tournament (Junior High) – 112 lbs. – Champion
- 2015: McDonogh Duals – 114 lbs. – Record of (7-1)
- 2014: PJW Area XI Tournament (Junior High) – 97 lbs. – Runner-up
- 2014: District 1/SEPA Tournament (Junior High) – 102 lbs. – Champion
- 2009: PJW Area XI Tournament (8 & Under) – 65 lbs. – Champion

Don't mistake Evan Widing's short Youth resume for a lack of talent. He is just one of many Pennridge Youth wrestlers to excel prior to high school. Pennridge Head Coach R.P. Norley has enjoyed several TIF over the past seasons and Widing will hope to add to the Ram's depth. In 2015 Evan earned his first career PJW State Medal placing third at 112 lbs. in the Junior High Division. Widing, who is an aggressive pinner, dropped his quarterfinal meeting with #13 Alec Bittler (9-1), but stormed back in the consolation round. Evan picked up two falls in under 1 minute to place third at 112 lbs. In 2014 Widing won the District 1/SEPA Championship. As a rookie Widing will try to find room in the line-up between some of PA's top lightweights. PIAA State Medalists Matt Parker and Kordell Rush are two talented wrestlers who will benefit Widing in the practice room but may prevent him from seeing varsity action. Widing will also have 2015 PIAA State Qualifier Micah Visuwan who may move up to 126 lbs. as a sophomore. Whether Evan lands a spot on the Ram's lineup he will certainly make an impact in his career.

Saucon Valley head coach Chad Shirk will welcome his second TIF in two years. 2015 TIF Jason Jones was an honorable mention last season that would prove he was underrated as the freshman racked up a season record of (45-15) and qualified for the PIAA State Tournament. Younger brother Josh Jones will attempt to match his brother's performance this season and projects to compete at 120 lbs. In 2015 Josh competed in several State and National events that raised his stock. At the District XI Junior High Tournament Jones won the 112 lbs. Championship and the PJW Area 14 Championship. In his second trip to the PJW States Jones was unable to capture his first PJW State Medal falling in the Championship round to #20 Cameron Connor (4-0). At the PAWF State Tournament, however, Jones was a Schoolboy double Medalist placing third in both Freestyle and Greco-Roman. The finish qualified Josh for the Schoolboy National Duals where he competed for Team PA and had a combined record of (10-2). Most recently and most notably Josh showed his strength against older and experienced competition at the Super 32 Qualifier at Muhlenberg College pinning his way into the finals. There Josh finished as the runner-up behind #1 Julian Chlebove (7-0) but along the way took down several wrestlers who ended last season ranked in the NE Regional. Jones pinned sophomore William Evanitsky (Scranton) and senior Robert Shoemaker (Bangor Area). Like older brother Jason expect Josh to make waves as a rookie.

Jason Baker is a fighter and has shown more heart than many could ever wish to have. On May 9, 2015 Jason competed in the PAWF Kids Duals for team Young Guns Blue but felt ‘off’ in a performance that he described as “poor.” Four days later Jason went to the doctors and his life changed forever. He was diagnosed with Medulloblastoma, a malignant tumor on his brain stem, and the next day May 14th Jason had brain surgery to remove the tumor. Since then he has gone through radiation and on August 19th began chemotherapy. Throughout the whole process Jason never wanted to stop competing and states being a wrestler has made him more determined to defeat cancer. Jason Baker isn’t just any wrestler and prior to his diagnosis was one of the top Youth wrestlers in the State. A 6x PJW State Tournament Qualifier Baker has climbed the State podium ranks capped off by a 2014 PJW State Championship at 90 lbs. in the (11 & 12) Division. In the Tournament Baker defeated #36 Tyler Dille in the quarterfinals and downed fellow Young Guns wrestler #15 Colton Camacho in the finals (4-2). It was a reversal from the PJW Area III finals where Camacho defeated Baker. It was Jason’s highest finish at the PJW State Tournament having finished as the State runner-up in 2013, and third place in 2012. In 2011 Jason competed in the PAWF State Championships and became a State Champion in both Freestyle and Greco-Roman. Obviously Jason is one of the most talented wrestlers on the list and 3x PIAA State Champion Nico Megaludis (Franklin Regional/Penn State) described him as a ‘true warrior’. Despite his drive to continue competing Jason will be unable to wrestle as a freshman this season at Derry Area. Depending on how his treatment continues Jason may be allowed to wrestle in Freestyle. Jason is a fighter and fans should expect to see him on the mat the moment he is cleared to do so. Although he won’t be competing for the Trojans this season when healthy and returned to form Jason will make an impact in the WPIAL and State. Jason still needs your thoughts and prayers as he faces his toughest battle of his life.
